Strait Richmond Minor Hockey Association (SRMHA) recognizes that circumstances may change throughout the hockey season and as such have set the following parameters for the refunding process:

Tryout fees will not be refunded once a player has attended at least one tryout session.

Refunds for any skills or development camps must be requested prior to the first session.

During the regular hockey season, any player that withdraws prior to November 1 will receive a full refund for registration fees less a \$20 admin fee.

After November 1, refunds will be issued based on the amount of time the player has been registered, less Hockey Nova Scotia fees and a \$20 admin fee. Any refunds requested after December 31 will not be refunded.

The breakdown will be as follows:

### **REFUND DUE TO INJURIES:**

Refunds will be issued for players that have been injured during play and are out for a minimum of four (4) weeks. Refunds will be prorated based on the number of weeks the player is out. Hockey Nova Scotia player insurance fees will be deducted from the refund.
