During the regular hockey season, any player that withdraws prior to November 1 will receive a full refund for registration fees less a \$20 admin fee.

**REFUNDS DUE TO INJURIES/ILLNESS:**

Refunds will be issued for players that have been injured or have become ill during the season and are out for a minimum of four (4) weeks. Refunds will be prorated based on the number of weeks the player is out. Hockey Nova Scotia fees will be deducted from the refund.

For players on top-tier teams, team fees cannot be refunded. The fees are calculated based on the team's budget, which is determined at the start of the season and depends on the initial number of players on the team.
